

Client H&S Education Checklist

The Department of Energy and the Oklahoma Department of Commerce have partnered together to ensure our clients' health and safety is a top priority.

As part of our commitment to your family's health and safety needs, you will be provided information about any potential issues identified in your home. Please note that this is not an exhaustive list of all possible health and safety issues in your home; rather, it is simply those that were identified during the course of weatherization assessment and work.

The below checked items have been identified as possible health and safety issues in your home:

- ☐ H&S 1 & 2 - Heating and/or Cooling Systems
 - ☐ H&S 3 - Asbestos
 - ☐ H&S 4 - Biological Contaminants & Indoor Air Quality/Household Pollutants
 - ☐ H&S 5 - Building Structure and Roofing - Structurally Compromised Areas
 - ☐ H&S 6 - Code Compliance Issues
 - ☐ H&S 7 - Combustion Gases
 - ☐ H&S 8 - Electrical
 - ☐ H&S 9 - Formaldehyde, VOCs, and Flammable Liquids
 - ☐ H&S 10 - Fuel Leaks
 - ☐ H&S 11 - Gas Ovens, Stovetops, and Ranges
 - ☐ H&S 12 - Hazardous Materials Disposal
 - ☐ H&S 13 - Injury Prevention
 - ☐ H&S 14 - Lead Based Paint - EPA's Renovate Right Pamphlet
 - ☐ H&S 15 - Mold and Moisture - EPA's - A Brief Guide to Mold, Moisture, and Your Home
 - ☐ H&S 16 - Occupant Health and Safety Concerns and Conditions
 - ☐ H&S 17 - Pests
 - ☐ H&S 18 - Radon - EPA's - A Citizen's Guide to Radon
 - ☐ H&S 19 - Smoke, Carbon Monoxide, and Fire Extinguishers
- Elevated CO Level(s):** **Cookstove**____ppm **Water Heater**____ppm **Furnace**____ppm
- ☐ H&S 20 - Ventilation and Indoor Air Quality
 - ☐ H&S 23 - Water Heater

My signature below confirms that I have been verbally informed of any potential health and safety issues. I have also received educational materials for the specific checked marked health and safety issues as seen above.
